

### A big 'Thank You' from Alan

There are so many people who contributed towards our Anniversary Weekend, and I want to thank everyone for all their incredible hard work - hosting and welcoming guests, preparing prayers, coordinating food, creating wonderful displays, amazing audio visuals, history boards and booklets, producing Acorns, etc. There were such high quality moments, materials and memories that will remain in people's minds, hearts and hands for many years to come.

From the first verse of the first hymn the afternoon worship was tremendous, and we must thank Joanne for 'finding' the wonderful Hamish who led us so well on the organ.

Things could not have gone better and I know that our special guests were very impressed and have promised support as we move forward with our roof repair project. 67 for morning worship and nearly 100 for evening worship... what a blessing!

One story I treasure was Yvonne (nee Medhurst) talking on Saturday about how intertwined her family's life was with the church, and then on Sunday saying how inspired she was and that she promised to make an effort to come back to church more often.

### Fundraising (again!)

Our fundraising for the church carpet replacement was really successful, and everyone has been so impressed with our efforts, and especially the resulting improvement in the church.

### However...

We now need to make a start on raising funds towards the repair of both church and hall roofs. Everyone is aware that the church roof leaks during heavy rain, but it's clear that the hall roof is also at significant risk - leaks there will dramatically affect our lettings income.

We are asking the Circuit for help towards immediate temporary repairs. But for the long term we will seek grant assistance from a variety of sources. And we will need to demonstrate that we are making serious efforts to raise funds ourselves.

The project 'launch' at the Anniversary weekend made a great start, raising nearly £800! But we need now to maintain momentum, so please consider making a donation. And if you can Gift Aid your donation, using the envelopes provided, so much the better!  
Thank you.
