

The Roof Repair Fund

Before Christmas, temporary roof repairs were completed, and were then thoroughly tested during heavy rainfall and strong winds. So things are looking better!

But the word 'temporary' means just that.

The work done, achieved with the help of a Circuit Grant, will last only a couple of years.

And so, as the New Year begins, we need to think seriously about how to raise the £60k needed to undertake complete repairs. We have begun making enquiries about sources of funding beyond the Circuit, and will progress these. But one thing is clear - we will need to demonstrate how we have made great efforts to raise funds ourselves.

So far, we've raised over £1,000, but we have a long way to go.

So, please consider making a donation.

And if you can Gift Aid your donation, using the envelopes provided in the lobby, so much the better! Thank you.
