Many thanks to all who contributed!

#### **Kitchen Refurbishment - Wednesday 15th May**

On Wednesday next, contractors will be replacing the worktops containing the hob, and the sinks/draining boards. This is to address Health and Safety concerns, as the hob is too close to the front of the worktop, and also too close to the wall. But it is also to replace the worktops which have become rotten where water has seeped through.

We will be working on Tuesday to empty all the cupboards, disposing of anything that is damaged or just plain unnecessary. Then everything will be restored on Thursday, although not necessarily in the same places! We will label accordingly!
