

Goffs Oak Community Association

Most of you will know of the intention to develop the old In-Ex site. It has now been agreed that the development will include some form of retirement accommodation, and the developers are asking for views from Goffs Oak residents on the design.

If enough residents are interested in finding out more, a local meeting could be arranged.

For further information, please contact the Secretary of the Community Association on 07956 537354.
